- I. Referees **SHALL NOT** referee a game if their child/relative/regional team is playing on one of the participating teams. Referees **are allowed to** referee games in their own division, but **preferably** should referee other divisions if possible.

THE REFEREE IS THE ONLY OFFICIAL TIMEKEEPER.

E. **SUSPENDED GAMES:** The Tournament Committee may determine to end matches early if field schedule is behind due to game delays, interference, or if weather conditions provide unsafe conditions. The Tournament Committee will determine the outcome of any single game, which is terminated prematurely (due to inclement weather, participant injury, or interference by outside party, etc.).

14) SUBSTITUTIONS

A. Substitutions will be made at **quarters only for 10U, 12U, & 14U teams**. Each player must play half of the game.

Each player must play half of the game. Players may be substituted at the times listed below. Players intending to substitute must be up and standing at the halfway line prior to the stoppage on which they wish to substitute. Players shall enter and leave the field at the halfway line unless otherwise directed by the referee. Teams may substitute only with the referee's permission and only at the following stoppages in play:

- Prior to a throw-in, team with possession. Should the team with possession substitute the other team may also substitute.
- Prior to a goal kick or a kickoff by either team.
- After an injury to either team, when play has been stopped by the referee.
- At half-time
- After regulation play ends, if play extends into overtime.
- Upon a caution, only the cautioned player may be substituted. (At the coach's discretion)
- Substituted players will enter and leave play at the half line unless otherwise directed.
- An injured player may be substituted at any time

A form will be supplied to every coach for every game to track player time. This form will be returned with the game card. Teams shall provide a time monitor for their opposing team, and those volunteers will report to the Referee. Coaches shall not interfere with the time monitors. Coaches will be allowed to review their respective completed time record, prior to signing for the Referee, immediately following each match.

C. If a team fails to play a player for half the game, a forfeit will be declared and the team will lose with a score of 1-0, or the existing score, whichever was greater. The only exception will be for an injured player that has been reported to the center referee before the start of play, or for a player injured during the game.

15) STANDINGS

A. Standings for preliminary play will be determined on the “ten-point system” as follows:

- WIN = 6 points, TIE = 3 points, LOSS = 0 points
- GOAL = 1 point (one point per goal scored up to a maximum of 3 per game, win or lose)
- SHUTOUT = 1 point (for an earned shutout, including a 0-0 tie)
- FORFEIT = 7 points (scored as a 1-0 win, no shutout points as it is not an “earned” shutout)
- 5 GOAL DIFFERENTIAL LIMIT = 1 point penalty deduction for team that runs up the score by more than 5 goals.
- RED CARD for player or coach = 1 point penalty deduction for team.
- Two yellow cards received by one player in the tournament = 1 point penalty deduction for the team.
- The maximum points allocated for one game is 10.

B. The participants in the U12 Girls division will be fully determined by group play. In the other divisions, Saturday’s results will determine teams’ placement in semifinal, quarterfinal, play-in games, or consolation games.

C. If there are ties in the standings at the end of the two qualifying games, a tiebreaker shall determine the outcome. The following are the tiebreakers that will be used, in order, until a winner is determined.

1. Head-to-head competition (how teams played against each other)
2. Lowest number of accumulated penalty points (deductions)
3. Fewest goals scored against
4. Difference between goals scored and goals allowed to a maximum of 4 goals per game.
5. The tournament director will arrange a shoot out to break the tie in seeding if both teams can be notified and a suitable location can be arranged. At the director’s discretion, a coin toss may be substituted.

If a forfeit game exists for any reason, only 1, 2 & 5 will be used to determine tiebreaker.

D. Standings will be updated on the scoreboards at each field and online. Online standings may not reflect point deductions. For most accurate standings, check the official scoreboards.

E. Tournament management retains the right to make slight changes to Sunday seeding in order to prevent a team from playing consecutive games against the same team. The U12 Boys division in particular is large and we would like teams to play against as many teams as possible. We will not make any changes that change which teams end up in a play-in game or a consolation game or which teams have the #1 seed. In the unlikely event that we do decide to change the Sunday seeding, we will make the change directly after Saturday’s games and notify all involved parties immediately.

16) CHAMPIONSHIP and THIRD PLACE GAMES

A. All medal round matches ending in a tie will have two full overtime periods of five minutes in length with teams changing field direction after the first five-minute period. In these matches, if still tied after overtime play, the game shall be decided by FIFA kicks from the penalty mark. In all other elimination games (play-in games, quarterfinals, semifinals, and the third-place games in **U10** due to time constraints), ties will go directly to penalty kicks. Only those players on the field at the end of the game are eligible to kick. A coin toss will determine which team takes the first kick. If there is still no winner after the first five kickers from each team, the remaining team members ON the field may kick one for each team until a round where one team has scored and the other has not. If ALL players on the field have kicked and there is still no winner, players on the field kick again one per each team per round but do NOT need to follow the same order.

17) AWARDS

A. All players on the 1st, 2nd, & 3rd place teams will receive a medal. If there are more than 8 teams in a division, then a 4th place medal will also be awarded. Awards are limited to the allotted number of allowed players per team and 1 coach and 1 assistant coach per team.

B. A tournament pin will be given to each player and 2 coaches per team.

18) CONDUCT

A. Coaches will be expected to set a positive example for the team and will be held responsible for the actions of their team including spectators. All spectators must remain behind the control line. Two coaches maximum per team, and they must remain in the marked coaching area (within ten yards either way from midfield).

B. At the conclusion of each match, the referees will be required to complete a game misconduct report for all misconducts during the game, as well as any incidents of interference by spectators.

C. Any coach or spectator ejected must immediately leave the vicinity of the playing field (out of sight and sound) and will be prohibited from attending the next scheduled game. Any player sent off (red carded) must immediately leave the vicinity of the game (under supervision of their parent or Safe Haven-certified adult) and may not return to the field of play during the current game, including for the post-game handshake, and may not be substituted for, and is suspended from participation in the next game. There will be penalty point deductions for all send-offs (see Standings rules). An ejected coach receives the penalty point equivalent to a player receiving a red card. Penalties may not be appealed.

D. Any violent conduct red card or ejection, including those involving offensive, insulting or abusive language or actions, may result in that player/coach/spectator being barred from the remainder of the tournament.

E. If it is determined that an ineligible player has participated in a game, the team will forfeit all games in which that player participated illegally. Furthermore, if it is determined that the coach knowingly played a player illegally, that coach will be barred from further participation in the tournament.

F. All Serious Incidents will be reported to the respective Regional Commissioner.

19) PROTESTS

- A. Referee judgment calls are FINAL and are not subject to protest or dispute.
- B. Protests regarding the eligibility of a player may be filed with the Tournament Committee at any time. If the Tournament Committee deems a player ineligible, that team shall forfeit all games in which that player participated.

20) MEDICAL/FIRST AID

- A. There will be a First Aid station at each field where participants may receive ice, etc. for minor injuries.
- B. There will be a designated first aid response staff member to respond to injuries on the field. Field marshals will communicate via cell phone to call the first aid staffer to the field where first aid is requested.

- D. Shin guards must be worn by all players.
- E. Jewelry (including non-medical wristbands) or hard metal or plastic clips on clothing or hair will not be allowed.
- F. Players will not be allowed to play with any type of cast or splint. Removal of any type of cast or splint at the field or surrounding area in order to participate shall disqualify the team member from game participation.
- G. AYSO will not prohibit the use of knee braces by players in AYSO events and programs; providing that the brace is adequately covered and padded in the judgment of the referee, so as to eliminate the possibility of its causing injury to the other players on the field.

22) BLOOD-BORNE PATHOGEN POLICY

The following procedure will be followed to minimize the risk of infection by blood-borne diseases:

- A. Any player or official who is bleeding must leave the field of play to receive medical treatment and may not return until the situation is corrected (the bleeding has stopped and the wound is covered).
- B. If there is blood on the uniform, it must be washed from the uniform and the uniform disinfected.

23) SMOKING & ALCOHOLIC BEVERAGES PROHIBITED AT ALL TIMES.

24) DOGS PROHIBITED FROM ALL FIELDS

25) RULES INTERPRETATION

The Tournament Director retains the right to interpret and apply the tournament rules to the optimum benefit of all tournament participants. The Tournament Director will determine the outcome of any situation that is not described in the aforementioned rules and regulations.
